

**A “Thank You” to Stark residents from the club was put into the Berlin Daily Sun and the North Country Weekly.**

## *Thank You Stark Residents*

The Milan Trail Huggers would like to thank the residents of Stark for voting to keep the Corridor D trail open.

For the residents that did not support us, you have our promise that we will continue to work towards our ultimate goal of getting our trails into the woods.

Last fall, we completed work on a new 7-mile long trail that will connect the Jericho and Millsfield trail systems. This trail is scheduled to open in late May and will greatly reduce the amount of ATV traffic traveling on the roads between Berlin and Milan.

We urge riders and non-riders to join our club and come to our meetings and give us feedback. Our meetings are held on the second Saturday of each month at 7:00pm at the West Milan Town Hall from April to October.

Even though our club name has “Milan” in it, the club was founded in 2014 to develop and maintain trails in the towns of Stark, Dummer and Milan.

Currently many of our Board Members and club members are Stark residents or own homes in Stark and we are always looking for more people to join our Board.

We look forward to working with all local residents and government officials to continue developing ATV trails in the area.

Sincerely,  
John Higgins, President Milan Trail Huggers
